

Course Number: SUST 201

Course Name: Exploring Sustainability

Classroom:

Instructor: Dr. Marwa Hannouf

Email: mhannouf@ucalgary.ca

Office Hours and Location: Tuesdays, 2-3 PM, PF 4201.

• Instructor Email Policy: Please note that all course communications must occur through your @ucalgary email, and I will respond to emails sent via students' @ucalgary emails within two working days. Please don't hesitate to send reminder emails if you are awaiting a response that has taken longer than two working days.

Teaching Assistant: Anastasia Blomgren

■ Email: anastasia.blomgren@ucalgary.ca

Class Dates: Tuesdays and Thursdays, September 5 – December 6, 11:00am-12:15pm

Course Description:

- This course provides learners with a foundational understanding of sustainability and associated concepts and issues. It covers an introduction to systems thinking for which will provide a basis from which to explore sustainability issues (e.g., food & agriculture, climate change & energy), and topics (environmental justice & decolonial perspectives, planning & governance) from an interdisciplinary perspective. This content will be delivered through a range of teaching methods, including lectures, videos, discussions, and active participation in group work and learning activities, drawing on real-world examples and scenarios. Course instructors and guest speakers (including academics and professionals from different disciplines and sectors) will offer perspectives on sustainability from business, community, government, the not-for-profit sector, and academia. Assignments will involve both individual exercises and group work, as well as a reflective portfolio.
- Course instructors and guest speakers will offer perspectives on sustainability from business, community, government, the not-for-profit sector, and academia. Classes will include lectures, videos, discussions, and active participation in group work and learning activities. We will bring real-world issues into the classroom on a regular basis. You will be encouraged to be engaged in the course, asking questions, challenging speakers, formulating your own ideas. The course will have a diverse group of guest speakers from, for example, the Arts, Sciences, Social Sciences,

Health Sciences, Engineering, Business, professionals, and communities of practice, all with a common interest in understanding, educating about and practicing sustainability.

- See: https://www.ucalgary.ca/pubs/calendar/current/sustainability-studies-sust.html#42743
- Academic Calendar description: https://contacts.ucalgary.ca/info/evds/courses/f23/SUST201
- Course Hours: 3 units; (3-0)

Requisites: See <u>Section 3.3.5</u> of the Academic Calendar for more information regarding School of Architecture, Planning and Landscape courses.

Prerequisite(s): noneCorequisite(s): none

Course Delivery:

In-person delivery

Course Learning Outcomes:

Upon completion of this course, students will be able to:

- 1. Effectively communicate foundational sustainability concepts and issues.
- 2. Formulate, articulate, and discuss values in the context of sustainability (e.g. human-environment relationships, inter and intra-generational ethics, diversity, equity and social justice)
- 3. Analyze real-world sustainability problems, argue for how they can be meaningfully addressed, and communicate this analysis effectively orally, visually and in writing.
- 4. Discuss and reflect on how they can contribute to creating a sustainable world in their personal, academic and professional lives.
- 5. Collaborate effectively in an interdisciplinary team.

Learning Resources:

Course text: Brinkmann, R. (2016). Introduction to sustainability. John Wiley & Sons.

Additional materials are outlined in class schedule.

Assessment Components:

The University policy on grading and related matters is described in $\underline{F.1}$ and $\underline{F.2}$ of the Academic Calendar. In determining the overall grade in the course the following weights will be used:

Assessment Method	Description	Weight	Aligned Course
			Learning Outcome
Email about	September 28, 5:00 pm	10%	1, 2
sustainability			
(individual)			

Sustainability Issues	Energy & climate	25%	1, (2), 3
Poster (individual)	change, Water:		
	October 12 at 11am		
	Food and agriculture,		
	Pollution and waste:		
	October 17 at 11am		
	Green building,		
	Transport: October 19		
	at 11 am		
Ecological Footprint	Materials should be	40%	1, (2), 3, 5
Product Analysis &	submitted on D2L by		
Theory of Change	November 23 rd at 5pm.		
(group work)	Presentations will take		
	place on November		
	28 th and 30 th in class.		
Reflective portfolio	December 12 at	25%	1, 2, 4
(individual)	5:00pm		

- Assessment and Evaluation Information:
 - o Assignment descriptions, due dates, and other related materials can be found on D2L.
- Attendance and Participation Expectations:
 - Attendance in in-class sessions are mandatory. Please email the course instructor at <u>mhannouf@ucalgary.ca</u> if you are unable to attend class.
- Guidelines for Submitting Assignments:
 - Assignment submission guidelines vary by assignment and can be found in the assignment descriptions on D2L.
- Final Examinations:
 - There is no final examination for this course.
- Expectations for Writing:
 - Written assignments should be of an academic standard. If you need support with your academic writing, please seek out writing support here: https://www.ucalgary.ca/pubs/calendar/current/e-2.html
- Late Assignments:
 - Please let your instructor know immediately if you cannot meet the deadlines specified.
 You may be required to provide supporting documentation, as per <u>Section M.1</u> of the Academic Calendar to support your request.
- Criteria that must be met to pass: A passing grade on all assignments are required to pass the course. If students do not complete or fail a required component of the course, this will be handled on a case-by-case basis.

Flexible Grade Option (CG Grade):

As per <u>Section 3.5.1</u> of the Academic Calendar, the School of Architecture, Planning and Landscape will not permit the Flexible Grade Option (CG Grade) for any course offered by the School.

Grading Scale:

Grade	Grade Point Value	4-Point Range	Percent	Description
A+	4.00	4.00	95-100	Outstanding - evaluated by instructor
А	4.00	3.85-4.00	90-94.99	Excellent - superior performance showing comprehensive understanding of the subject matter
A-	3.70	3.50-3.84	85-89.99	Very good performance
B+	3.30	3.15-3.49	80-84.99	Good performance
В	3.00	2.85-3.14	75-79.99	Satisfactory performance
B-	2.70	2.50-2.84	70-74.99	
C+	2.30	2.15-2.49	65-69.99	
С	2.00	1.85-2.14	60-64.99	
C-	1.70	1.50-1.84	55-59.99	Minimum grade requirement for prerequisite courses.
D+	1.30	1.15-1.49	50-54.99	
D	1.00	0.50-1.14	45-49.99	
F	0.00	0-0.49	0-44.99	

Topic Areas and Detailed Class Schedule:

Please note that this schedule may be subject to change. Changes will be communicated through announcements on D2L.

Date	Content	Teaching/ learning activities	Reading materials	Assignments
Tuesday Sept 5	Instructor and Course Introductions	Lecture, small group discussion		
Thursday Sept 7	What is sustainability?	Lecture, small group discussion	Required reading Brinkmann Chapter 1	Introduce assignment 1
Tuesday Sept 12	History of sustainability	Lecture, small group discussion	Required reading Brinkmann Chapter 1	
Thursday Sept 14	Academic writing in sustainability science	Lecture, academic writing activity		
Tuesday Sept 19	Understanding natural systems	Lecture, small group discussion	Required reading Brinkmann Chapter 2	
Thursday Sept 21	Thinking in systems: An overview	Lecture, small group discussion	Required reading Systems thinking. https://www.youtube.com/watch?v=Miy9uQcwo3U This video gives an introduction to systems thinking. University of Calgary Policies and Supports:

UNIVERSITY OF CALGARY COVID-19 UPDATES AND PROCEDURES

https://www.ucalgary.ca/risk/emergency-management/covid-19-response/covidsafe-campus

ACADEMIC ACCOMMODATION

https://ucalgary.ca/student-services/access/prospective-students/academic-accommodations

It is the student's responsibility to request academic accommodations according to the University policies and procedures listed below. The student accommodation policy can be found at: https://www.ucalgary.ca/legal-services/university-policies-procedures/student-accommodation-policy

Students needing an accommodation because of a disability or medical condition should communicate this need to Student Accessibility Services in accordance with the Procedure for Accommodations for Students with Disabilities: https://www.ucalgary.ca/legal-services/sites/default/files/teams/1/Policies-Accommodation-for-Students-with-Disabilities-Procedure.pdf

Students needing an accommodation in relation to their coursework or to fulfil requirements for a graduate degree, based on a Protected Ground other than Disability, should communicate this need, preferably in writing, to their instructor (contact information on first page above).

<u>Student Accessibility Services</u> will process the request and issue letters of accommodation to instructors. For additional information on support services and accommodations for students with disabilities, visit <u>www.ucalgary.ca/access/</u>.

ACADEMIC MISCONDUCT

Academic Misconduct refers to student behavior which compromises proper assessment of a student's academic activities and includes: cheating; fabrication; falsification; plagiarism; unauthorized assistance; failure to comply with an instructor's expectations regarding conduct required of students completing academic assessments in their courses; and failure to comply with exam regulations applied by the Registrar.

For information on the Student Academic Misconduct Policy and Procedures please visit:

- Student Academic Misconduct Policy: https://www.ucalgary.ca/legal-services/university-policies-procedures/student-academic-misconduct-policy
- Student Academic Misconduct Procedure: https://www.ucalgary.ca/legal-services/university-policies-procedures/student-academic-misconduct-procedure

Additional information is available on the Academic Integrity Website at https://www.ucalgary.ca/student-services/student-success/learning/academic-integrity.

COPYRIGHT LEGISLATION

All students are required to read the University of Calgary policy on Acceptable Use of Material Protected by Copyright (https://www.ucalgary.ca/legal-services/university-policies-procedures/acceptable-use-material-protected-copyright-policy) and requirements of the Copyright Act (https://laws-lois.justice.gc.ca/eng/acts/C-42/index.html) to ensure they are aware of the consequences of unauthorised sharing of course materials (including instructor notes, electronic versions of textbooks, etc.). Students who use material protected by copyright in violation of this policy may be disciplined under the Non-Academic Misconduct Policy (https://www.ucalgary.ca/pubs/calendar/current/k.html).

INSTRUCTOR INTELLECTUAL PROPERTY

Course materials created by instructors (including presentations and posted notes, labs, case studies, assignments and exams) remain the intellectual property of the instructor. These materials may NOT be reproduced, redistributed or copied without the explicit consent of the instructor. The posting of course materials to third party websites such as note-sharing sites without permission is prohibited. Sharing of extracts of these course materials with other students enrolled in the course at the same time may be allowed under fair dealing.

FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY

Student information will be collected in accordance with typical (or usual) classroom practice. Students' assignments will be accessible only by the authorized course faculty. Private information related to the individual student is treated with the utmost regard by the faculty at the University of Calgary.

SEXUAL AND GENDER-BASED VIOLENCE POLICY

The University recognizes that all members of the University Community should be able to learn, work, teach and live in an environment where they are free from harassment, discrimination, and violence. The University of Calgary's Sexual and Gender-Based Violence Policy guides us in how we respond to incidents of sexual and/or gender-based violence, including supports available to those who have experienced or witnessed sexual/gender-based violence, or those who are alleged to have committed sexual/gender-based violence. It provides clear response procedures and timelines, defines complex concepts, and addresses incidents that occur off-campus in certain circumstances. Please see the policy available at https://www.ucalgary.ca/legal-services/university-policies-procedures/sexual-and-gender-based-violence-policy.

UNIVERSITY STUDENT APPEALS OFFICE

If a student has a concern about a grade that they have received, they should refer to Section I of the Undergraduate Calendar (https://www.ucalgary.ca/pubs/calendar/current/i-3.html) which describes how to have a grade reappraised.

OTHER IMPORTANT INFORMATION
