STUDENT SCHOLARSHIP AVAILABLE TO UNDERGRADUATE STUDENTS IN PLANNING PROGRAMS

The Community Planning Association of Alberta (CPAA) is offering 3 scholarships, worth **\$500** each, to three undergraduate students from the University of Alberta (School of Urban and Regional Planning), the University of Calgary (School of Architecture, Planning and Landscape) and the University of Lethbridge (Urban and Regional Studies).

To apply, you are being asked to develop a poster (size 11X17) that focuses on CPAA's theme of this year's conference: "Beyond Municipal Borders: Collaboration for Vibrant Communities". For example- here are some ideas for a focus on a poster:

- Fostering Collaboration: Case studies of successful intermunicipal planning initiatives
- Balancing Growth: Strategies for sustainable development along municipal boundaries
- From Conflict to Cooperation: Strategies for resolving urban-rural tensions
- Reconciliation Through Collaboration: Indigenous engagement and partnerships
- Joint Infrastructure Investments: Finding efficiencies through collaboration
- Environmental Stewardship: Sustainability achievements through regional/intermunicipal Planning (e.g. Water Resource Management)
- Legal and Policy Frameworks for Effective Intermunicipal Planning: Best practices and challenges
- Economic Development Opportunities: Maximizing opportunities through joint collaboration

- Integrating Transportation Networks: Connecting urban and rural communities through joint servicing
- Resolving Zoning and Land Use Conflicts: Tools and techniques for intermunicipal planning
- Change Management: Improving municipal processes to facilitate intermunicipal planning
- The Future of Intermunicipal Planning: trends and innovations shaping urban rural relations

The deadline for the submission of the poster is: Friday, March 15, 2024

There is an opportunity to present your poster at our conference, which is April 29-May 1, 2024.
