Bachelor of Design in City Innovation (BDCI) Registration Guide: F26-W27 (First Year) Quick Reference

Overview of this Quick Reference Guide

On this page, you will find a summary aid of all the courses recommended for first-year registration in the Fall 2026 and Winter 2027 semesters. For additional details, please refer to the various resources listed on the BDCI Degree Planning page. Reserve caps for non-DSGN courses lift on **July 21, 2026** – seats saved for BDCI students will be removed on this day.

Recommended Course Sequence (Year One)

Courses marked with an asterisk (*) need to be taken in the same semester as they are corequisite courses.

2026-2027
