

Bachelor of Design in City Innovation (BDCI) Registration Guide: F24-W25 (Second Year) Quick Reference

Overview of this Quick Reference Guide

On this page, you will find a summary aid of all the courses recommended for second-year registration in the Fall 2024 and Winter 2025 semesters. For additional details, please refer to the various resources listed on the [BDCI Degree Planning page](#).

Recommended Course Sequence (Year Two)

**Courses marked with an asterisk (*) need to be taken in the same semester as they are corequisite courses.*

†Courses marked with the obelisk (†) refer to transscalar studio courses. Choose a transscalar studio of different scale for each semester. Students must complete one of each scale (i.e., small, medium, and large) to graduate.
