

# Bachelor of Design in City Innovation (BDCI) Registration Guide: F26-W27 (Second Year) Quick Reference

## Overview of this Quick Reference Guide

On this page, you will find a summary aid of all the courses recommended for second-year registration in the Fall 2026 and Winter 2027 semesters. For additional details, please refer to the various resources listed on the [BDCI Degree Planning page](#). Reserve caps for non-DSGN courses lift on **July 21, 2026** – **seats saved for BDCI students will be removed on this day.**

## Recommended Course Sequence (Year Two)

*\*Courses marked with an asterisk (\*) need to be taken in the same semester as they are corequisite courses.*

*†Courses marked with the obelisk (†) refer to transscalar studio courses. Choose a transscalar studio of different scale for each semester. Students must complete one of each scale (i.e., small, medium, and large) to graduate.*

2026-2027
