Bachelor of Design in City Innovation (BDCI) Registration Guide: F26-W27 (Fourth Year) Quick Reference

General Pathway

Overview of this Quick Reference Guide

On this page, you will find a summary aid of all the courses recommended for fourth-year registration in the Fall 2026 and Winter 2027 semesters. For additional details, please refer to the various resources listed on the BDCI Degree Planning page. Reserve caps for non-DSGN courses lift on **July 21, 2026** – seats saved for BDCI students will be removed on this day.

Recommended Course Sequence (Year Four)

General reminder that you <u>do not</u> need to take all the courses listed in this reference – this reference provides all the enrolment information for you to choose sections quicker during your Enrolment Start Time.

2026-2027	
Fall Semester	**Winter Semester**

• **DSGN 501** (6 units)
     o   Lab 01
	• **DSGN 503** (6 units)
	     o Lab 01
