About the School of Architecture, Planning and Landscape

The School of Architecture, Planning and Landscape (SAPL) offers undergraduate and professional graduate studies in architecture, planning and landscape architecture, as well as research degrees and post-professional programs. SAPL delivers a distinctly different design school experience that combines a rich, interdisciplinary design-based philosophy with an entrepreneurial mindset and a deep commitment to working with industry stakeholders, community leaders, at local, national, and international levels to address some of society’s biggest challenges in new, creative ways. SAPL recently opened a pilot satellite research hub in downtown Calgary called the City Building Design Lab. Connect with us on Instagram, Facebook, Twitter, and LinkedIn.
