OPPORTUNITIES

SAPL STUDENT SEEKING PARTICIPANTS FOR NATURAL PLAYGROUND RESEARCH (CHILDREN + GUARDIANS)
PhD Candidate Miho Lowan-Trudeau is recruiting participants for her doctoral research about experiences with natural playgrounds. Visit the link for more details and contact Miho Lowan-Trudeau with any questions.

WEBINARS + COMPETITIONS

JUNE 21 DEADLINE | CBDX: BORDERLANDS COMPETITION | $6000 in PRIZES
This competition invites participants to choose any type of border, define a friction that presents a programmatic opportunity and propose a design that positively impacts the agents affected by, or in proximity to, that border. Submissions will be reviewed by a highly respected international jury.

‘SUN CITY’ | ALUMNI LEGACY DESIGN COMPETITION | JULY 1
Design an intervention related to the sunlight in Calgary at a YYC location of your choosing. There is no minimum or maximum scale, so the design could be anything - from a single, small pavilion on Nose Hill to a total redevelopment of Bow Trail. Top three entries will win a cash prize.
