MAKING WAVES EXHIBITION | AUGUST 17-SEPTEMBER 22
The exhibition, led by SAPL alum and sessional instructor Phil Vandermey, represents student design and fabrication work related to the Making Waves Studio Summer Intersession course. Students created multiple urban design elements to be deployed in SPECTACLE BUREAU’s proposed design for the plaza around the CUPS Mural (1st St. and 2nd Ave. SW). The exhibition is on display at the CBDLab.

WEBINARS | CONFERENCES | COMPETITIONS

THRIVING CITIES | SEPTEMBER 29 | 4PM
SAPL dean John Brown will join a panel discussion with local experts about the new era of energy research, programming, partnerships and collaborations that motivate transdisciplinary research at UCalgary. The panel will be hosted by Dr. Ed McCauley, UCalgary president.

Register →

2021 AIA/ACSA INTERSECTIONS RESEARCH CONFERENCE | SEPTEMBER 29
This conference will focus on resilient communities and how architects can ensure the buildings and developments they design have a long-lasting beneficial impact on our communities, cities, regions and environment.

Register →

DESIGN INNOVATION COMPETITION | OCTOBER 15
Students are invited to submit finished work in the form of conceptual proposals or realized projects for the DI 2021 competition. The focus of the competition is finding and celebrating the talent that blurs boundaries between design, tech, architecture and business.

Register →
WUR URBAN GREENHOUSE CHALLENGE  
OCTOBER 17
SAPL students are invited to join this year’s challenge for multidisciplinary teams to develop an urban farming site featuring an indoor production structure that significantly improves the quality of life of local residents in one of the most diverse lower-income neighbourhoods of Washington DC.
