JOBS

**JUNIOR ARCHITECT | REVERY ARCHITECTURE | VANCOUVER**

Who wants to work at Revery? They are hiring a Junior Architect position to produce quality renderings and representations, support various design components and project activities and assist with construction administration of projects. Ideal candidate will have two years of post-graduate experience, outstanding communication and presentation skills, along with Revit, Rhino and Adobe Creative Suite proficiency. [Email](https://go.ucalgary.ca/index.php/email/emailWebview?md_id=192561) a cover
ARCHITECTURE DRAWINGS ORGANIZATION PROJECT | FAIRMONT PALLISER | MAY or JUNE

Any architectural history enthusiasts in need of a short-term paid position? The Fairmont Palliser is looking for someone to sort and organize a considerable number of architectural plans and drawings stored in the hotel's basement. They will pay an hourly wage and the job should take about one week. If interested, please email Uwe Walter, Director of Operations.

STUDENT ARCHITECT | FRANK HILBICH ARCHITECT INC. | MAY-AUGUST

In Edmonton for the summer? Frank Hilbich Architect is hiring a Student Architect to assist with model and render preparation, concept drawings and construction drawings for project work. You will assist with site measurements, product research, contacting product reps, ordering samples, client presentations and interacting with engineering consultants. To apply, email frank@fhai.ca.

ARCHITECTURAL STUDENT/GRADUATE | VOSHELL ARCHITECTURE + DESIGN | CONTRACT NEGOTIABLE

In the Edmonton area for the summer? Voshell Architecture and Design (VOSH) is hiring an Architectural Intern/Graduate. The position is responsible for assisting with drawing preparation and supporting project documents from planning design through construction and post-construction. The terms of the position are negotiable - permanent, contract or just for the summer. To apply, email Deanna Voshell.
**DESIGN + DEVELOPMENT INTERN | HEAVY**

Heavy is hiring an individual with exceptional communication skills and a passion for art and architecture. You will connect with architects, artists and developers across North America to facilitate the development and execution of their bold visions. You will be part of a team that is pioneering a new industry at the intersection of art and architecture. To apply, email heavycareers@heavyexperience.com.
