ANNOUNCEMENTS
DESIGN COMPETITION
The Canadian Precast/Prestressed Concrete Institute is hosting the second annual Wellness Bench Design Competition. It invites students to investigate the design and technical opportunities of precast concrete. Register by Nov. 30.

SCHOLARSHIP OPPORTUNITIES
The Royal Architectural Institute of Canada has announced a call for submissions for its 2023 Scholarships and Bursaries for students, interns and architects. The deadline for submissions is April 24.

VOLUNTEERS NEEDED | PROFESSIONAL DEVELOPMENT OPPORTUNITY
The International Institute of Building Enclosure Consultants (IIBEC) is developing a certification exam for building enclosure commissioning consultants. To obtain test statistics on this new exam, graduate student civil and architectural engineer volunteers are being sought as trial test-takers.

Each volunteer who is chosen for this project completes the 90-item, multiple-choice exam will be compensated with a small stipend as well as a one-year complimentary IIBEC membership. To be considered for participation, contact Dr. Nancy Barnes at nbarnes@iibec.org by Nov. 30, 2022.

JOB OPPORTUNITIES

RESEARCH ASSISTANTS NEEDED
The School of Architecture, Planning, and Landscape (SAPL) and the Cumming School
of Medicine (CSM) are hiring two students research assistants as part of the Evict Radon National study, an interdisciplinary project that aims to understand and engineer out radon gas as a source of lung cancer within the built environment. Interested students must apply before Nov. 13. READ MORE

GALLERIES
