BLOCK WEEK BASH | TOMORROW

After a week of intensive learning and diligent work, de-stress yourself by joining your school community to celebrate the culmination of Block Week at the City Building Design Lab tomorrow from 4:30 to 6:30 p.m.

The afternoon will fly by as we enjoy a slice (or two) of pizza, stop by the cocktail bar, listen to fine tunes, spend quality time with friends and colleagues, and take in some fantastic exhibits by fellow SAPL students.

COLLABORATIVE ECOLOGIES | OPENING NIGHT

Join us tomorrow at the City Building Design Lab Gallery from 5:30 to 7:30 p.m. for the opening night of Collaborative Ecologies, a marc boutin architectural collaborative (MBAC) exhibition, presenting the firm's work over the past 25 years. The exhibition will feature a graphic repository of the cross-pollination of design research trajectories, collaborative networks, people and projects, and a series of physical models that are emblematic of the design acumen forged through this process.
INTERNATIONAL CONFERENCE ON THE CONSTRUCTED ENVIRONMENT

The Thirteenth International Conference on the Constructed Environment, Human/Nature: Toward A Reconciliation will take place May 17 and 18, in-person and online. Register for online lectures HERE.
