### YES SHOW 2023 OPENING PARTY | APRIL 28

A public and welcoming celebration of student accomplishments in architecture, planning and landscape, the YES Show 2023 Opening Party accompanies a show of broad ranging exhibits comprising plans, 3D models and renderings that push the boundaries of imagination and design. The party will also serve as a network builder, offering an opportunity for industry, community and students to create connections, share ideas and build relationships.

As a public event, family, friends and colleagues are also invited to take part in the music, food and drinks of the evening, as the SAPL community wraps up the 22/23 academic year on a high note.
