**IN THE NEWS**
Maya Lin to Design Terrace at Glenbow Museum

A world-renowned American artist known for her 1982 Vietnam Veterans Memorial in Washington, D.C., and her 1988 Civil Rights Memorial in Montgomery, Ala., has been chosen to design the rooftop terrace at Glenbow Museum. She will design the 13,000-square-foot terrace on the fifth-floor rooftop of the building.

PhD Student Research Feature

Did you know that SAPL now has an official place on the website to showcase PhD student's research work? Similar to the DDes Research page, the new PhD Research page showcases the students in the PhD program's work.

Check it out here

If you would like your work to be featured on the website, please send an email to marcomm@sapl.ucalgary.ca with the subject line "PhD Research Submission" along with your submission package.

Building Together: Your input, Calgary's Progress | Survey

The City of Calgary is updating plans that will shape the Calgary of the future—and make sure our city keeps on being a great place to live. They want to hear from you!

To make informed decisions for the City Building program, they must know why people choose to live in Calgary, what's working well, and what matters most to Calgarians.

Learn more and participate in the survey here

SCHOLARSHIP OPPORTUNITY

The National Urban Design Awards

The National Urban Design Awards are now open until Thursday, January 11, 2024. Submissions can be made directly from individual students or groups of students enrolled in an accredited program in architecture, landscape architecture, and/or...
planning in the past two years. Such students 
and student groups may also be nominated by 
their schools to submit. Students and schools 
may forward submissions from studio or thesis 
projects with an emphasis on urban design.

All SAPL students are eligible to apply!

SAFL STUDENT TALENTS

Flower Fields and Flying Sparks | John Paul 
Echavez | BDCI

Year: 2023
Media: Acrylic on canvas
Size: 19.8 x 16 inches
Description: This painting, based upon the 
impressionist style, highlights a young lady in a 
calm flower field watching a sky dominated by 
lying lanterns. The intention behind the painting 
was to express a romantic attitude towards the 
feelings of awe and comfort.

Like what you see up here? Share your talent 
with us too! Send your work to 
marcomm@sapl.ucalgary.ca

MYSTERY MONDAY

Mysterious Yellow Cube

The mystery of the Yellow Cubes has finally 
been solved! If you have been keeping your 
eyes peeled, you would have noticed these 
Yellow Cubes scattered around campus at 
certain locations.

Fabian Neuhaus – SAPL professor, had been 
conducting a study to better understand 
teaching and learning scholarship, research, and 
inquiry on campus. Stay tuned for more of this 
mystery to be revealed!
